Dr. Bates moved and Dr. Nilsen seconded the motion to approve the proposal. The motion passed unanimously.

This action approves the following to become effective Fall 1989.

The Council on Academic Affairs recommends that the statements regarding MINORS on page 80 of the 1989-90 Catalog be interpreted so that students in any degree program be permitted to elect non-teaching minors and that those minors be identified as "Minor" on the transcript. Students in teacher education who elect to be certified in more than one discipline by electing a Teaching Minor should have these minors identified as a "Teaching Minor" on the transcript. Procedures and requirements for the minors which are listed on Catalog page 80 must also be completed.

V. Proposal for the Number of Hours in Each Element in the Integrated Core, (89-34).

Dr. Gholson moved and Mr. Moushon seconded the motion to approve the proposal. Dr. Weidner submitted the proposal to the Council. The sections on Quantitative Reasoning and Problem Solving, Foundations of Civilizations, United States Constitution, Senior Seminar, and Language will be discussed at the next meeting.
